Global View

The Teesside One World Centre would like to work with Primary School staff who are interested to develop a global dimension to their curriculum during the year, 2007-08.

First steps:

Contact the Project Officer, Kathryn Hull, on 01642 322216. We will discuss your requirements with you and set up a display of relevant teaching and learning resources in school for two weeks.

Next steps:

We will arrange a mutually convenient date to meet all the staff to present the resources and discuss further how to develop a global dimension within your school. Ongoing support will be available from the Teesside One World Centre.
