TEES VALLEY ONE WORLD CENTRE - Global Learning for Schools & Communities

Tees Valley One World Centre is a Development Education Centre promoting global learning for local schools and communities.

We provide support to develop the skills, attitudes and values to tackle the big issues facing the world.

Global Learning is necessary for learners to thrive in a world with racial and religious tensions, inequality, climate change, globalisation and the challenge of Sustainable development.

Global learning includes critical and creative thinking, self-awareness and open-mindedness towards difference, optimism and action for a better world.
